## E V R A EUROPEAN SERIES 2020

Welcome to E V R A European Series 2020

Since 2011 the EVRA initiative to form "European series" of veteran tournaments / mini festivals, as the regular Veteran rugby events, is bringing more and more clubs/teams to this chain of Veteran rugby tournaments . . .

At the very beginning as EVRA Series had been introduced, with the great support of José Redondo (Licor Beirao) from Lousa (Portugal), two regular prizes were established:

for the Organizers - EVRA special made plaque

and the one for the Oldest Tournament player

Apart from these signs of recognition, EVRA Executive Board with Licor Beirao established EVRA Annual Award, presented to the Club/Team that had organized the "most international" European Series Event . . . and so had contributed to the development of Veteran sports - Rugby in Europe.

The last winners were . . . Bandar Log Marseille (SMUC), Marseille (France)

After the international, enjoyable, friendly and successful European Festival in September 2019 in Belluno (Italy), the next 6th EVRA European Festival will be held in Leipzig (Germany) on September 3rd - 7th 2020, organised by Rugby Club Leipzig and Sachsen Rugby Union. By the end of 2019 TEAMS SPORTS Ltd. Argentina joined EVRA as the Partner. Apart from organising Argentina Veterans World Rugby Festival (in Mar del Plata, November 9th - 16th), Team Sports are dealing with Veteran rugby in Brazil, Chile and Uruguay. It is planned to realize the mutual exchange between South American and European "Old rugby teams".

With Regional U F A R Veteran Tournaments 2020 (open for teams out of France, for the first time) Association - Union Francaise Ancien de Rugby will certainly contribute to the further development of Veteran sports, not only in Europe.

We welcome to the European Series 2020 also your Club/Team that intend to organize a Veteran Rugby Tournament under the World & European motto . .

Fun & Friendship & Fraternity . . .
